ABOUT *Love Her*

Love Her, Inc, is a 501 (c) (3) nonprofit organization. We provide resourceful empowering programs and events to youths.

Since our founding, Love Her has been able to make an impact in the lives of many youths by empowering, inspiring, motivating and supporting them through our programs which caters to their personal and professional growth as well as giving back to our community.

Event OVERVIEW

In honor of bullying prevention month, this October Love Her Presents: Youth Summit: Break The Cycle Against Bullying, an empowering event dedicated to educating and raising awareness of the prevalence and impact of bullying on children of all ages. Led by compassionate experts, this summit aims to equip attendees with practical strategies, engaging activities, and meaningful conversations to conquer bullying with courage and confidence. Our goal is to discuss the various forms of bullying and delve into the neuroscience behind it all. Bullying has a profound impact on everyone involved and studies have shown it is linked to significant challenges such as mental health struggles, substance abuse, school avoidance, suicidal thoughts and even suicide. It's a deeply concerning issue that requires our attention. We will also focus on promoting resilience and the significance of building strong connections to combat bullying effectively.

Participants will have the opportunity to examine the issue of bullying through the lens of students, parents, families and experts as well as discover effective strategies for combating bullying, developing emotional maturity, fostering independence, and strengthening their resilience by engaging in thought-provoking conversations and interactive activities.

As a youth-centered organization, we understand the importance of social and emotional health in the academic success and personal growth of youths. Honoring National Bullying Prevention Month with an impactful program ensures everyone will be equipped and empowered to foster a safe, nurturing and supportive environment for young people.

Studies have revealed that one in every five students has experienced bullying. Our mission is to disrupt these alarming trends by empowering and equipping youths to spark a positive change in peer behavior.

This event is a free community event, open to the public. You and your organization's presence at this event will be incredibly valuable and will truly demonstrate your support for the younger generation. We hope you are able to take part in this empowering event and experience firsthand the pride we take in supporting the youths.

Become A Sponsor

We invite your organization to play a pivotal role in empowering our community's youth by supporting the Youth Summit: Break The Cycle Against Bullying. This event is dedicated to opening up conversations, educating, and providing resources about bullying to young people, parents and community leaders in our community. Your sponsorship will directly contribute to a supportive, informative, and transformative experience for attendees.

Why Sponsor?

Visibility: Align your brand with an important cause and gain visibility among attendees, including community leaders, students, parents, educators, and health professionals.

Engagement: Interact with the community through.

Impact: Make a real difference in the lives of young people in our community by supporting an event focused on bullying awareness and solutions.
